

Pastor Tom Ford was the English Pastor at Hosanna Evangelical Free Church in Mississauga, Ontario, Canada.

In early 2019, Pastor Tom had to stop working and go on short-term disability and subsequently onto long-term disability as he waited patiently for organ transplants for his kidney and pancreas.

Though there were many ups and downs in 2019 for Pastor Tom, there was progress and his wait list was climbing closer to the top. Unfortunately, recent complications developed, surrounding sores and blood blisters on his feet. This potentially jeopardized not only his health, but also his candidacy for being on the transplant list.

Pastor Tom is the head of a family of 5, including his wife Sandy, and their 3 children Paxton, Karissa and Alexis. With Pastor Tom focusing on rest, healing and recovery, Sandy has had to support the family and also assist her husband in seeing various specialists and visiting different hospitals, sometimes having to drive across Toronto to see different people on the same day.

Please support Pastor Tom and his family with prayer and consider giving with a joyful heart. A **GoFundMe** project has been created. Click the link above or [here](#) to access.

Thank you.

2020 Care Package for the Ford Family

 Michael Lam is organizing this fundraiser on behalf of Tom Ford.

Created February 26, 2020 |  Medical, Illness & Healing
